

# Applied Kinesiology Certification Courses

*Register Now - Adelaide & Perth*

## The Program

Over 8 weekends beginning **July 2014 through to May 2015**, this structured course will take you through the theory and hands-on application of the powerful and time honoured AK procedures. These same 8 sessions have been taught strictly to professional therapists only throughout Australian capital cities to enable you to take up where you left off if you missed a session along the way.

The much anticipated series will cover theory and clinical applications of AK as a holistic approach to patient care and management with a strong workshop component.

Topics include

- Muscle testing as a test of functional neurology
- Orthopaedic conditions
- Visceral assessment and adjusting
- Cranial system evaluation and correction
- TMJ/Dental dysfunction and correction
- Introduction to clinical biochemistry
- Plus much much more

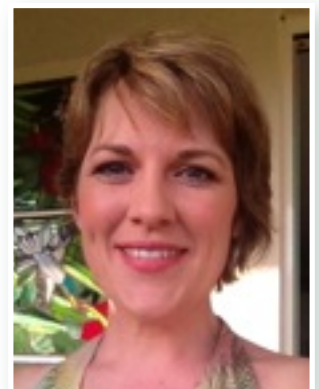

To achieve AK certification all modules must be attended and the examinations must be passed. Certification is optional.

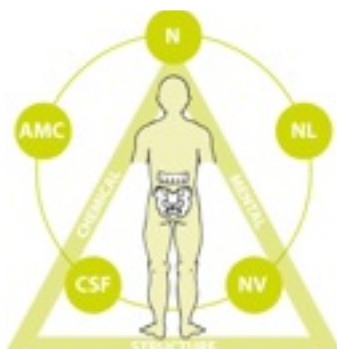

Dr Keith Keen  
BA DipAC DC DO DIBAK

Dr Eric Pierotti  
DC DO ChD DIBAK

Dr Susan Walker  
BSc MChiro DIBAK

*Your presenters are certified teaching diplomates of the International Education Committee with some 80 years experience between them.*

*They are certified teaching diplomates of the International College of Applied Kinesiology and bring a wealth of clinical experience that enhances the unsurpassed diagnostic ability of AK to address your patients in a truly holistic fashion using cutting edge techniques including nutrition & clinical biochemistry.*
